To the City of Belvedere Town Council

I am writing to you to show my support for hosting Boo Bash in Belvedere. My children and all their friends love these type of community events. It is one of the main reasons we love where we live - we love our community and love that there are many family-friendly activities. My family and many of our friends would love an event like this in our neighborhood - a safe and fun place for our kids to play together and enjoy the holiday spirit.

Thank you,
Afsaneh Zolfaghari (mom to Zoraya (6), Kaveh (4) and Garrett (1))

Dear City of Belvedere Town Council,

I am writing to voice my support of the Boo Bash proposed for Saturday, October 22. Not only does this event appeal to all ages, it encourages our residents to support local merchants and builds community. Halloween is such a fun time of year for kids and adults alike and I believe this event would add to everyone's enjoyment of the season and our wonderful community.

Please consider this fun event for Belvedere!

Best,

Elizabeth Hachman

To the City of Belvedere Town Council:

As a 3 year resident of Belvedere and 7 year resident of Tiburon, I've come to greatly enjoy the many community events put on throughout the year. My wife Megan and our 3 children, JT (8), Rees (6), and Malia (4) are regulars at events such as the Concert in the Park, Friday Nights on Main, as well as having our sons participate over the past 2 years in the TPLL Opening Day Parade.

As a local business owner in the event rental space, I work with most cities through Marin County on their local events and see first hand the power these community gatherings have with their residents. I'm a firm believer in "The More the Merrier!" and when I heard about the possibility of adding a Halloween themed event for Belvedere/Tiburon residents, I was very pleased. We've been participating in the Strawberry community events at the Rec Center for the past few years and would love to have something closer for us! Plus, with a safe event supervised by Ranch staff, I'd feel more comfortable knowing our kids would be safe participating in an event like this.

I hope this event is seriously considered by the Town Council, I know it will become a family favorite just like the Friday Night and Concert events have become.

Thank you
Jim Gerber
