Subject: Approve revocable license for private improvements in the City street right-of-way in front of 12 Britton Avenue

Recommended Motion/Item Description

That the City Council approve the revocable license agreement for 12 Britton Avenue for improvements in the street right-of-way as part of the Consent Calendar.

Background and Findings

Proposed encroachment on City property – 12 Britton Avenue – APN 060-111-24

The attached license agreement requires the property owner to assume liability and maintenance responsibilities for:

Entry flagstone paving, driveway and concrete border along driveway in the street right-of-way in front of 12 Britton Avenue. (Refer to attached draft Revocable License No 2017.10 and associated exhibit.)

Background of current application

On June 20, 2017, the City of Belvedere Planning Commission approved application requests for Design Review and Exception to Total Floor Area for modifications to the existing house and garage. The project included small additions to the house and rebuilding the garage in the same footprint with a second story above it. The Planning Commission approved the proposed modifications and additions and recommended approval for the existing encroachments into the public right-of-way. The existing encroachments include the driveway, a concrete border along the driveway and paving. Staff finds that encroachment is necessary to provide pedestrian and vehicular access from private property to the adjacent public street.

Future improvements

The license covers any future improvements within the revocable license area which receive staff or Planning Commission design review approval and which meet one or more of the criteria for approval of revocable license listed in the City’s Administrative Policy Manual, Policy 272.05, as adopted by City Council resolution. Applications for substantial, potentially permanent and/or obstructive structures within the City right-of-way, which fall outside the criteria, will still be required to go to the City Council for consideration and approval/denial. Detailed records at City

Hall, maintained in the Planning Department file for this address, will always be available to show exactly what structures have been approved within the license area. This will save considerable staff time that would be devoted to bringing a revised license and staff report to the City Council and in issuing, recording, and archiving a new license agreement.

Recommended Action

That the City Council approve the revocable license agreement for 12 Britton Avenue for improvements in the street right-of-way as part of the Consent Calendar.
