

BELVEDERE E-NEWSLETTER: March 10, 2023

Road Work to Begin in March

Belvedere will begin its spring road repair work on March 20th. It will be done in three phases: patching, crack sealing, and slurry sealing. The Michael Paul Company will start by patching identified locations that need asphalt repairs on March 20th; this phase will take around three weeks. The second phase, crack sealing work, is expected to start in early to mid-April. Finally, in mid to late April, select streets will undergo complete slurry seal surfacing.

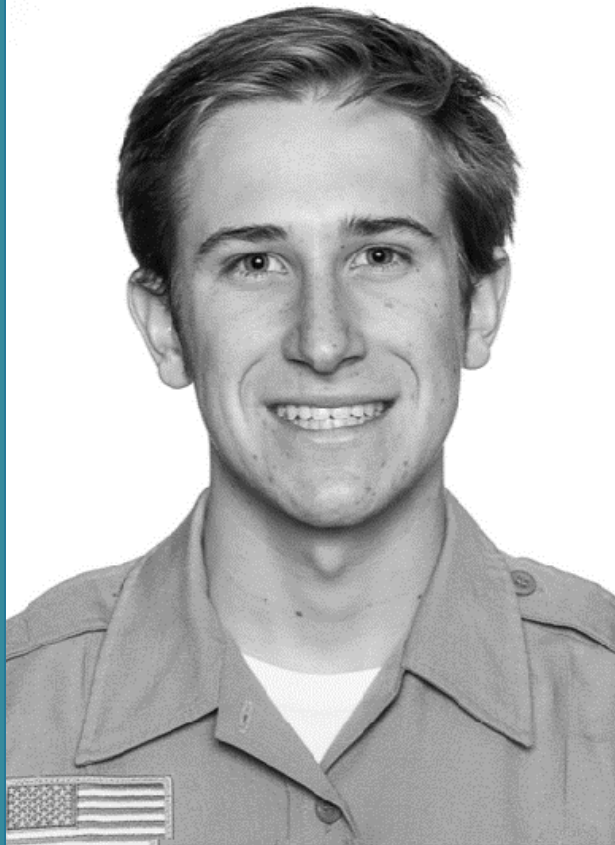

Although the City and contractors are working to minimize traffic and on-street parking disruptions, some delays may be inevitable, and residents are asked to pay attention to signage. The following streets will undergo repair work: San Rafael Avenue (from Tiburon Blvd to Laurel Ave), Edgewater Road, Windward Road, Bella Vista Avenue (between Oak and Toyon Ave), and Golden Gate Avenue (from "Five Corners" to #200).

The Belvedere Block Captain Program is thrilled to welcome the newest member of our Incident Command team!

At just 16 years old, Jax Sandrich is also the youngest member of Belvedere Incident Command team, which serves as the communication hub for Block Captains, in the event of an emergency activation of the program. The other members of the Incident Command team are Linda Bine, Adam Brolan, Chris Denniston and me.

Jax has been training with the Marin Sheriff's Search and Rescue (SAR) team, gaining valuable experience

in first aid, navigation, and wilderness survival skills. His experience with SAR operations, which require a high level of teamwork and collaboration, often involving multiple agencies and groups, will help prepare him for his role with Belvedere Incident Command.

Please welcome Jax to the group!

The Belvedere Block Captain Program is always looking for more volunteer captains. If you, or someone you know, is interested in learning more about the program, please contact me at adam@gavzer.com

Belvedere Tiburon Library is offering the following events:

Everything iCloud and Apple IDs

Wed Mar 15, 2023 at 10:00 am

This workshop will unlock the mysteries of Apple's iCloud service.

From iCloud Photo Library, syncing, backup and iCloud storage to Apple IDs used to purchase music, movies and TV shows, this class will give you the knowledge you need to use your Apple ID to its fullest.

ChatGPT and the Future of AI

Thu Mar 14, 2023 at 6:00 pm

Come and learn about the newest AI assistant available and what it can do.

This presentation will show you various real-life applications of the chatbot. We will then talk about the various implications and impacts future AI technology will have on our lives.

Fluent Italian Conversation Group

Thu Mar 16, 2023 at 6:00 pm

Speak Italian? Join this weekly group for a lively conversation.

The Fluent Italian Conversation Group meets weekly to discuss current events, the arts, and other topics of interest.

The library is now open Sundays, 10am-5pm.

Schedule is now:
Monday-Thursday 10am-7pm
Friday-Sunday 10am-5pm

Belvedere
Tiburon
