

## **NOTICE OF RECOMMENCEMENT OF CONSTRUCTION**

Recently, on April 29, 2020, the County of Marin Health Services issued a revised Shelter-in-place [Order](#), allowing all construction projects within the County as described by section 16:f:v of the Order to resume.

Per the revised Order, all construction projects will be classified as small construction projects or large construction projects. Construction projects classified as small, will need to comply with the safety protocols set forth in [Appendix B-1](#) of the Order. Construction projects classified as large, will need to comply with the safety protocols set forth in [Appendix B-2](#) of the Order.

The revised Shelter-in-Place Order shall become effective at 11:59pm on Sunday, May 3, 2020, per section 19 of the Order. Construction projects may continue on Monday, May 4, 2020 complying with the approved construction hours, as per Belvedere Municipal Code Section 16.04.030 B1.

The City of Belvedere Building Dept. will be conducting inspections from 8:00am to 3:00pm, Mondays through Thursdays, beginning on May 4, 2020. To schedule an inspection, please call 1-415-435-3838 or email Genaro Muniz, Building Inspector, at [gmuniz@cityofbelvedere.org](mailto:gmuniz@cityofbelvedere.org). Provide your name, phone number, project address, date of inspection, and type of inspection in the request.

Please contact the City of Belvedere Planning or Building Departments with any questions or needed clarifications.
